

# RE-ELECT

## Louise Lancotot

### District Treasurer

I have served as District Treasurer this year and am offering to continue in this volunteer position for the 2022-2023 year.

The next year promises to be a very busy and challenging year as we emerge from the pandemic and negotiate all our Bargaining Unit Collective Agreements. The spectre of strike action and its additional Treasurer responsibilities looms ahead.

I believe that I have the experience and time to devote to the District Treasurer position.
